

Hoboken-North Hudson YMCA

We build strong kids, strong families, strong communities

Hoboken • Weehawken • Union City • West New York • North Bergen • Guttenberg

March 1, 2007

Dear Friend of the Hoboken-North Hudson YMCA,

This is an exciting time for the Hoboken YMCA. With an updated strategic plan, we are entering a new era - an era of new programmatic initiatives and community partnerships and the development of a plan to renovate our 80 year old facility over the next few years. Our 80th birthday party will be in May 2007 and we hope you can attend the celebration at the YMCA.

The YMCA staff and volunteer leadership value your membership and support of the YMCA over the years. The Hoboken-North Hudson YMCA has been a key community organization in the north section of Hoboken since 1927. Our goal is to expand and thrive for the next 80 with your continued support of our program; services offered 365 days a year, 7 days a week.

On March 1, we are launching the 9th annual support campaign to raise funds to award scholarships to the qualified youth, teen and families that depend upon this subsidy each year. Many people in Hoboken struggle to make ends meet and the YMCA has always been able to provide some financial assistance. I would like to ask you to make a donation to support this vital fundraising program in 2007.

The goal for 2007 is to raise \$35,000 during the month of March. The YMCA also needs a few more volunteers to help with the fundraising. If you have the time and the willingness, it would be another way to give back to the community.

Things are starting to change at the YMCA. Join us and be part of the future through your generous donation.

Sincerely Yours,
